We will be glad if you go back anew.

I ve been trying to register there, by now with three different Email addresses but never got any confirmation Email back from them, so I can t log in.

How will all this affect Tetragon? For now this doesn t affect the development of Tetragon at all.

Upper layers depend on lower layers, but not vice versa. What follows is a brief overview of the layers and their various components, from bottom to top.

That s what I always wanted to do.

Since the AS3 Sound class had no methods to accept any byte data the workaround to load MP3 files as raw byte data so far has been to load them with URLLoader and then wrap the MP3 data into an in-memory SWF that is created with the help of AS3SWF.

and also MP3 files.

I however have to be completely honest with you, I never will be attracted by HTML5 as a programming solution. been moved to it s official URL [www.tetragonengine.com](http://www.tetragonengine.com) so I recommend to update your bookmarks.

After that we still have the AIR platform for desktop and mobile apps and as long as the AIR platform continues to exist there is absolutely nothing in the way of Tetragon s development.

If you can please go to Adobe s Bug report site and make some noise
