And the second reason is that Eclipse s Egit plugin is shaky at best when it comes to merging repository branches. coding of ActionScript 1 and love ActionScript 2 and then it made me learn to raw byte data since this is the only way how it works to read MP3

There has been similar complaints from Andre Michelle about the other new method, loadPCMFromArray which seems to be quite buggy.

It s strength are clearly defined in other areas.

They are following suit with the popularity of the HTML5 dictate and want to jump on the band-wagon as quick as possible.

Seems Adobe doesn t want to be bugged about bugs, haha.

The signs that they are giving are quite clear.
