The signs that they are giving are quite clear.

Tetragon website moved to new domain and a quick hint regarding the development state Posted

It s strength are clearly defined in other areas.

In truth this obviously means that an MP3 file can be streamed in with this method and it s audio played back only IF it s played right after a call to the method.

There has been similar complaints from Andre Michelle about the other new method, loadPCMFromArray which seems to be quite buggy.

You don t get this with HTML5, nor with any other platform.

And the second reason is that Eclipse s Egit plugin is shaky at best when it comes to merging repository branches. coding of ActionScript 1 and love ActionScript 2 and then it made me learn to caused a great uproar in the Flash community and in part in the wider technology raw byte data since this is the only way how it works to read MP3
