For the last ten years I have been a Flash developer, Flash made me learn

A quick info on the development state of the engine in case you re wondering why it s so quiet over on the engine s Github repository Do not worry! The engine is under constant development, however the dev build is for the time being under private hosting.

The Desktop Flash Player is still with us and hopefully for quite a while longer.

Trying to contact the admins doesn t work either.

If you would try to play the sound later it s not going to work.

HTML5 is taking over the RIA world and I have no problem with it.

OS: This one is obvious.

I learned to love ActionScript s clean and typed syntax and it s compact distribution form as compiled and compressed binaries.

This works fine on desktop- and on Android builds.
