The signs that they are giving are quite clear.

In truth this obviously means that an MP3 file can be streamed in with this method and it s audio played back only IF it s played right after a call to the method.

You don t get this with HTML5, nor with any other platform.

It s strength are clearly defined in other areas.

There has been similar complaints from Andre Michelle about the other new method, `loadPCMFromArray` which seems to be quite buggy.
