I learned to love ActionScript s clean and typed syntax and it s compact distribution form as compiled and compressed binaries.

OS: This one is obvious.

This works fine on desktop- and on Android builds.

Trying to contact the admins doesn t work either.

AIR is extremely attractive for game developers who want to deploy to the desktop and mobile platforms with the same code base and that is clearly one of Tetragon s goals.

The Desktop Flash Player is still with us and hopefully for quite a while longer.

about this! There is a lot of potential in the new sound API, if it

The only way to load MP3 files directly with AS3 so far has been to

For the last ten years I have been a Flash developer, Flash made me learn

I don t really care whether the code files are easily accessible and can be stolen, that can be done with Flash too.
