For the last ten years I have been a Flash developer, Flash made me learn

A quick info on the development state of the engine in case you re wondering why it s so quiet over on the engine s Github repository Do not worry! The engine is under constant development, however the dev build is for the time being under private hosting.

The only way to load MP3 files directly with AS3 so far has been to

If you would try to play the sound later it s not going to work.

The Desktop Flash Player is still with us and hopefully for quite a while longer.

HTML5 is taking over the RIA world and I have no problem with it.

Trying to contact the admins doesn t work either.

OS: This one is obvious.

Adobe s de facto monopoly claim on the Flash platform has always been a risk lurking at the horizon and now it has come close enough to bite us in the rear end.

I learned to love ActionScript s clean and typed syntax and it s compact distribution form as compiled and compressed binaries.
