been moved to it s official URL www.tetragonengine.com so I recommend to update your bookmarks.

I however have to be completely honest with you, I never will be attracted by HTML5 as a programming solution. and also MP3 files.

The problem isn t really that the mobile Flash Player was terminated, it s the loss of trust in Adobe that comes with it.

like C#, C++, haXe or even Objective-C, maybe even Python.

How will all this affect Tetragon? For now this doesn t affect the development of Tetragon at all.

I ve been trying to register there, by now with three different Email addresses but never got any confirmation Email back from them, so I can t log in.

so I too was looking forward to finally be able to change the audio file
