This is how it s done here.

Quite honestly I m not sure what to make of this one.

is linking or following this website or it s RSS feed this site has now

Of course they didn t! All of a sudden some Flash devs seem to be strangely attracted by HTML5 and Javascript while others have a more exotic view toward the nature of the internet.

These resource packages contain all the asset files, which can be images, XML files, SWF files, etc.

from now and what my thoughts are about the whole mess that Adobe has caused

on some other game design- and game development-related things or concentrate wholly onto another technology

The open-sourcing of the Flex framework in my opinion is far more concerning than the end of the Mobile Flash Player.

Unfortunately Adobe s so called Bug and Issue Management System seems to be quite bugged by itself.

sure many audio-related Flash devs have been looking forward to since a long time and
